You are required to collect 10% in order to pass the course.**

Instructions

- Step 1. You need to create a PowerPoint slide show.
- Step 2. Save the PowerPoint slide show as a **pdf** file.
- Step 3. Upload this **pdf** file onto your Voicethread account using the Create function.
- Step 4. Title of your “Voicethread” is your Topic.
- Step 5. Share your presentation with the class.
- Step 6. Record your presentation on each slide using the Comments record button.

Step 3.

Step 4. Title and save

The screenshot shows the MyVoice app interface. At the top, there are buttons for 'Browse' and 'Create'. Below them is a red circle around the text '(Add a title and description)'. To the right, there is a 'Get a Link' button and a prompt to 'Select individual Groups or Contacts below:'. The main area displays 'Orgs & Groups' with a search bar and a list of groups including 'Y23_Master_A' (24 members) and 'Alprazolam'. A 'Describe your VoiceThread' dialog box is open in the foreground, containing a 'title' field with 'Aspirin' and a green checkmark, a 'description' field, and a 'tags' field with the text 'Allows you to group VoiceThreads for searching.' and a 'save' button. A 'close X' button is in the top right of the dialog box.

Click on the “**Add a title**” and type your topic and then **Save**.
